HIGHLIGHTS

NEW PLAYGROUND GOES UP AT WINDSOR PARK

The new playground is beginning to take shape at Windsor Park (200 Lakeside Dr). Construction began in March after a public input process to determine the scope of the project. The new playground, along with park benches, shade trees, gazebo lighting, landscaping enhancements, and upgrades to the pavilion, is expected to be complete this summer.

Windsor Park is one of three neighborhood parks scheduled for improvements in 2021. The improvements are funded by the bond program approved by voters in 2017. Find more information at cedarhilltx.com/bond.

CEDAR HILL

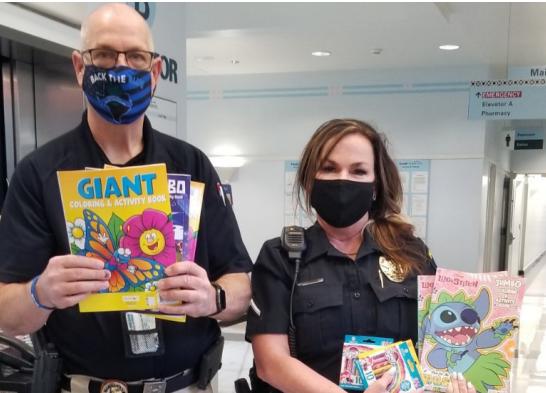

PEOPLE MAKE IT A COMMUNITY

The Cedar Hill Police Department, City staff and City Council Members participated in a Neighborhood Walk in Cedar Crest.

Council Member Shirley Daniels presents a Good Samaritan Award to LaToiya Boleware.

Sergeant Hammel and Officer Stanbury of CHPD deliver coloring books, crayons, and pencils to Cook Children's Hospital.

CEDAR HILL RECEIVES HIGHEST RATING FOR FIRE PROTECTION

The Insurance Services Office (ISO), the national insurance industry rating agency, has issued the City of Cedar Hill a rating designation of ISO Class 1. Class 1 is the highest rating available, and less than one percent of cities in the United States receive that rating.

The Class 1 rating means that the ISO recognized that the City of Cedar Hill has a first class fire department, supported by a water system that has the capacity and maintenance practices to protect the public. The rating also means that citizens and businesses in Cedar Hill may be eligible, through their insurance agents, for rate reductions in insurance policies.

The classification by ISO, known as the Public Protection Classification (PPC) program, assesses the fire-protection efforts in a particular community. ISO collects information on municipal fire-protection efforts in communities throughout the United States. In each of those communities, ISO analyzes the relevant data using its Fire Suppression Rating Schedule (FSRS). The company then assigns a Public Protection Classification from 1 to 10. Class 1 generally represents superior property fire protection, and Class 10 indicates that the area's fire-suppression program doesn't meet ISO's minimum criteria.

By classifying communities' ability to suppress fires, ISO helps the communities evaluate their public fire-protection services. The program provides an objective, countrywide standard that helps fire departments in planning and budgeting for facilities, equipment, and training. And by securing lower fire insurance premiums for communities with better public protection, the PPC program provides incentives and rewards for communities that choose to improve their fire fighting services. The improvement to a PPC Class 1 classification was positively influenced by a pro-active hydrant program, increased training activities, community outreach, our emerging communications system, fire station locations and maintaining staffing levels.

CELEBRATE NATIONAL LIBRARY WEEK WITH THE ZULA B. WYLIE PUBLIC LIBRARY

National Library Week (April 4 - 10, 2021) is a time to celebrate our nation's libraries, library workers' contributions and promote library use and support.

The theme for National Library Week 2021 is "Welcome to Your Library."

During the pandemic, library workers continue to exceed their communities' demands and adapt resources and services to meet their users' needs during these challenging times. Whether people visit in person or virtually, libraries offer endless opportunities to transform lives through education and lifelong learning.

First sponsored in 1958, National Library Week is sponsored by the American Library Association (ALA) and observed in libraries across the country each April. All types of libraries - school, public, academic and special - participate.

Find more ways that the Zula B. Wylie Public Library is helping everyone to celebrate National Library Week at www.cedarhilllibrary.org and follow on all social media outlets.

CALENDAR OF UPCOMING EVENTS

City Council Meetings

IT'S SPRING CLEANING TIME! FOLLOW THESE GUIDELINES TO DISPOSE OF BULK & BRUSH

Spring time means cleaning up your yard and your home. Be sure to follow these guidelines when disposing of bulk items and brush:

- Remember that bulk items and brush are collected together all in one pile once per month and are limited to 10 cubic yards.
- Acceptable bulk items include appliances, furniture, fence sections, or other residential items too large for a container.
- Bulk items do NOT include construction debris, hazardous waste, vehicles, parts, or tires, televisions or computers.
- Bulk and green waste must be placed at the curb by 7 a.m. on the Monday morning of your collection week. Waste Management may collect your items any day of the scheduled week.

Refer to the map below to find your collection week. Get more information about your trash and recycling service at cedarhilltx.com/trash.
