I have carefully read the completed application and acknowledge it to be true and correct. I hereby agree and understand that employees of the Cedar Hill Police Department will inspect my property for any criminal acts. During the inspection, if an employee finds any unsecured opening to my home, entry will be made to inspect and protect the property. I further understand that all persons found on or inside my property will be treated as intruders. If an emergency exists, the Cedar Hill Police Department will attempt to notify the person(s) listed on this form or from information derived from other sources. I understand that if the Cedar Hill Police Department employee is unable to secure my residence and no person is available to take possession of the residence, that the residence may be left unsecured. Further, I agree to notify the Cedar Hill Police Department of any change to the information listed above. This is a courtesy request for service and does not imply or guarantee that my residence will be checked daily.
